RE: RFAI dated 1/21/15

Below is the information for the 3 items in the request:

1. Excessive contribution from Mensonides Dairy LLC dated 10/30/14 (\$5200).  
\* A refund check for \$2600 was sent on 2/21/15. Copy attached.
2. Debt for Future Link Communications of \$1018.16.  
\* This was removed inadvertently from the report. It has been re-entered and is included on the Post General report amended 2/25/15.
3. Debts with beginning balances that do not match the ending balance from the previous report (Anitra Beruti Consulting LLC and Bogart Associates, Inc.)  
\* Anitra Beruti Consulting LLC: There was an unpaid invoice for \$10,763.29 originally entered with a date of 10/10/14. The correct date of this invoice was 10/22/14, so this discrepancy is corrected on the Post General report amended 2/25/15.  
\* Bogart Associates, Inc.: There was an unpaid expense of \$350.23 that was included in two different invoices from Bogart Associates, Inc. The extra expense of \$350.23 was removed, therefore creating the difference from the previous report.

Sincerely,

Tom Perry
